APPENDIX E

RESOLUTIONS ON THE BUDGET NOT DISCUSSED.

4. This Assembly recommends to the Government of His Highness the Maharaja that they will be pleased to provide in the Budget for 1939-40 an additional sum of Rs. 30,000 for the City Improvement Works in Bangalore City under the head "Grants for Public Improvements."

Mover.—Mr. B. L. Byanna.

5 This Assembly recommends to the Government of His Highness the Maharaja that an additional provision of Rs. 1,00,000 be made in the Budget Estimates for 1939-40 under "24 A. Communications" for constructing a bridge across the river Thunga at Thirthahalli.

6. This Assembly recommends to the Government of His Highness the Maharaja that a provision of at least Rs. 75,000 be made in the Budget Estimates for 1939-40 under "Malnad Improvement" in respect of each of the malnad districts, for extending medical aid, constructing link roads and providing drinking water wells in rural areas in the malnad which are affected, due to severe economic depression and fall in the income of Village Panchayet.

7. This Assembly recommends to the Government of His Highness the Maharaja that the provision in the Budget Estimates for 1939-40 under "30. Grants for improvements to Minor Municipalities" be increased and that at least Rs. 8,000 be allotted to the Thirthahalli Municipality for development works for the following reasons:—

(1) Of all the Minor Municipalities in the malnad, the Thirthahalli Municipality owes a large sum to the Muzrai Department, and its income is inadequate to discharge the loan, and (2) in spite of levying much heavier house and other taxes than those prevailing in other municipalities, it has not been possible to find funds to provide the required facilities to its people.

8. This Assembly recommends to the Government of His Highness the Maharaja that a provision of at least Rs. 1,00,000 be made in the Budget Estimates for 1939-40, in order to grant short-term loans to the areca-garden owners of malnad to find money for cultivation and other charges, as in view of the price of areca having gone down and the crop having been affected by *kole roga* sufficient resources are not available and there is a probability of the entire next year's crop being mortgaged now alone.

9. This Assembly recommends to the Government of His Highness the Maharaja that a provision of at least Rs. 10,000 be made in the Budget Estimates for 1939-40, for the employment of Thoties and Thalaries in malnad villages where they are now not employed, in order to enable the Shanbhogs and Patels to attend to the increased Village Panchayet and Record of Rights Work.

10. This Assembly recommends to the Government of His Highness the Maharaja to allot at least Rs. 10,000 for introducing Vocational Classes in all Middle Schools in the State, such as Agriculture, etc.

11. This Assembly recommends to the Government of His Highness the Maharaja to make an additional provision of Rs. 1,00,000 for Primary Education with a view to advance primary education in rural parts of the State.

Mover.—MR. V. VENKATASAMY CHETTY.

14. This Assembly recommends to the Government of His Highness the Maharaja that the provision under "26 Education—6 Primary Education" in the Budget Estimates of 1939-40 be increased by Rs. 50,000, as the present provision which is only Rs. 2,700 more than that of last year is quite inadequate.

15. This Assembly recommends to the Government of His Highness the Maharaja that the provision now made in the Budget Estimates for 1939-40 under "21 Medical—2 Hospitals and Dispensaries, (xiii) Local Fund Dispensaries—Country medicines," be increased by Rs. 10,000 as the present provision of Rs. 20,000 is insufficient.

16. This Assembly recommends to the Government of His Highness the Maharaja that (1) an additional sum of Rs. 60,000 be provided under "26 Takavi and Agricultural Loans, (*c*) Land Improvement Loans (New Rules) and (*d*) Takavi Loans (New Rules)" in the Budget Estimates for 1939-40 so as to facilitate the grant of loans more liberally as the present provision of Rs. 60,000 and Rs. 80,000 respectively, is too small for that purpose, and (2) a sum of Rs. 10,000 out of this grant, be ear-marked for granting loans to the raiyats holding lands under the Vani Vilas Sagara for purchasing seeds, manures, etc.

17. This Assembly recommends to the Government of His Highness the Maharaja that at least a sum of Rs 2,00,000 be provided in the Budget Estimates for 1939-40 under "29 A. Land Mortgage Bank," as no provision has at present been made for this, and for want of funds the bank is not proving very useful to the raiyats as the latter find it difficult to get loans.

18. This Assembly recommends to the Government of His Highness the Maharaja that a sum of Rs. 1,00,000 be provided in the Budget Estimates for 1939-40, for taking up the irrigation project works at Kariyala, Hiriyur Taluk.

19. This Assembly recommends to the Government of His Highness the Maharaja that a sum of Rs. 20,000 be provided in the Budget Estimates for 1939-40 for effecting repairs to Mavinamadu Tank and Rangenahalli Tank in the Hiriyur Taluk which breached in 1934.

20. This Assembly recommends to the Government of His Highness the Maharaja that a sum of Rs. 25,000 be provided in the

Budget Estimates for 1939-40 for constructing a tank at Metikurke, Hiriyur Taluk.

21. This Assembly recommends to the Government of His Highness the Maharaja that a sum of Rs. 40,000 be provided in the Budget Estimates for 1939-40 for constructing a building in the Hiriyur Town for Taluk Office which is now located a mile away from the town.

7. During these days of unemployment, the sort of education that is being imparted in our schools is not of much use. Mover.—MR. K. RAMANNA (Holenarsipur Taluk).

9. Government are aware that the raiyats are getting impoverished owing to the very low yield of crops, such as, Coffee, Areca, Paddy, Ragi and Jola and their having to repay the loans to their creditors (money-lenders). The Debt Conciliation Act and other enactments do not seem to provide for the redemption of the encumbered properties. Unless the present enactments are suitably amended, adequate relief is not afforded to the debtors. It is, therefore, prayed that Government may take a bold and sympathetic view of the plight of the debtors and suitably amend the Debt Conciliation Act so as to afford adequate relief to the debtors to retain their properties and also enable them to eke out their livelihood.

Movers.—Messrs. M. Ramanna Gowda *bin* Thammanna Gowda (Koppa Taluk) and Mir Mahamed Sab (Minorities).

10. As there are no plots of land reserved for the dumping of manure in the villages of the Mysore State, villagers are indiscriminately dumping manure in village sites and are thereby not only getting into trouble with the Village Panchayets, but also injuriously affecting the sanitation of the village. Hence, this Assembly recommends to the Government of His Highness the Maharaja that they may be pleased to allot specified plots, in each village for this purpose and thus relieve the people from this difficulty.

Mover.—Mr. T. Shadaksharappa (Chellakere Taluk).

Mover.—MR. KRISHNA RAO GANESH RAO GURUJAR (Special Interests).

19. Whereas the personal law of the Muslims as administered in the Mysore Courts of Law is not in accordance with the true Shariath Law in some respects, more especially in regard to the creation, management and administration of "WAKFS" and leaves much to doubt and uncertainty, this Assembly recommends to the Government of His Highness the Maharaja that suitable legislation be introduced on the lines of the Muslim Wakf Act of British India for the management of Public Wakfs and the Muslim Wakf alal Awalad Act in the matter of creating Wakfs in favour of one's own children and posterity, thus bringing the personal law of the Muslims up-to-date.

Mover.—MR. A. J. KHALEEL (Minorities).
